SAINT JAMES ATHLETIC ASSOCIATION Nominations for the Board of Directors For the 2010 – 2011 School Year

Nominations are now being accepted for the four (4) open positions on the St. James Athletic Association Board of Directors, as well as nominations for newly created Program Coordinator positions. We are looking for a program coordinator for each sport, as well as a concession stand coordinator. Each elected member will serve for two years.

Any member of the Athletic Association is eligible to be nominated for these positions. Members include any parent or guardian of a child participating in the athletic programs at St. James School; however, both parents may not serve simultaneously. If you have served on the board in previous years, you are eligible to serve again.

Each member may nominate up to five individuals. You may nominate yourself. The nomination forms will be distributed through the School's Wednesday folders and will also be available on the St. James School website under Athletics. Forms should be returned to the St. James Athletic Association via the school office by May 5, 2010.

Thank you for your participation.
