

Elisa & Tredicino Moraca Scholarship Application

Three \$1000 scholarships are available for the upcoming school year. The offer is open to any student wishing to attend SJS in the fall. To apply, students must write about why they want to attend a Catholic school, and the family must demonstrate need. Applications are due in the rectory by Friday June 1st. The winners will be announced in July.

Instructions:

- Student must compose his/her own explanation of why he/she wants to attend St. James Catholic School.
 - The age of the student will be taken into consideration in judging entries. Older students would be expected to compose essays, while younger students may only be able to compose a paragraph.
- In order that the entries can be judged fairly, please do not put your name on your entry; instead, complete the bottom portion of this form and staple it to your entry.
- The student's family must demonstrate need. This is most easily done by applying for financial aid via the PSAS (Private School Aid Service) form, which is available in the school office. The principal will verify each applicant's "need" as reported by PSAS.
